About School

Warwick School is an independent day and boarding school for boys aged 7–18, located in Warwick, Warwickshire, in the West Midlands of England. The School is conveniently situated close to Warwick town centre, with excellent transport links to Birmingham, Coventry and other major UK cities. It is approximately 30 kilometres from Birmingham Airport, making it the nearest major international airport and providing convenient access for families travelling from overseas. It offers a supportive and well-rounded environment, combining strong academic education with a wide range of sports, music, arts and extracurricular activities. Warwick School is part of the Warwick Schools Foundation and has a long history of providing education and opportunities for boys.

Warwick School has a strong academic focus and provides a broad range of opportunities to prepare pupils for university and life beyond school. Pupils regularly progress to leading universities across the UK and overseas, with recent destinations including the Universities of Oxford, Cambridge, Bristol, Durham, Edinburgh, Manchester and University College London. Students are encouraged to develop their individual interests and talents, while taking part in academic, sporting, musical and cultural activities beyond the classroom.

The School aims to provide a supportive community where pupils can develop academically, personally and socially. Warwick has both day pupils and boarders, with boarding forming a relatively small part of the Senior School community. The boarding programme places strong emphasis on pastoral care, community living and participation in school life, while pupils have opportunities to take part in activities ranging from sport and music to academic and community projects.

Admission is selective and includes different entry points depending on the student's age. Key entry points include 7+ for the Junior School and 11+, 13+ and 16+ for the Senior School, with a limited number of places potentially available at other ages. The admissions process may involve assessments and other selection procedures depending on the year of entry. International families can contact the School's Admissions Team for information about registration, assessments and requirements. If you have any questions about the entrance assessment, application process or requirements, feel free to contact Scholar Gateway for further guidance.
